

Jellyfish Suncatchers

Materials:

Tissue Paper

Black Construction Paper

Scissors

Contact Paper

Ribbon

Directions:

Prep: 1) Cut multicoloured tissue paper into squares

2) Cut out a general shape from black construction paper into the shape of a jellyfish body

3) Proceed to cut out the centre so that only the outline remains

Campers:

4) Use either contact paper (We will likely use thin white tissue paper) and then proceed to glue the multicoloured tissue paper on top, filling in the outline

5) Once dry, turn the jellyfish over and glue ribbons on the bottom

Animal Tracks

Materials:

Cardboard

Sponges

Paint & Markers

Construction Paper

Direction:

1) Prep: Cut out sponges and glue them unto construction paper in the tracks of various

animals, label the underside

2) Put out Paint at each table with different colours and tracks, have the kids decorate the page

3) Optional:

-Have the children label the tracks and whoever can label them all properly wins

-Make the tracks as a frame and have the campers draw the animal or their favourite camp memories in the centre

Friendship Bracelets

Materials:

String (various colours)

Scissors (leaders only)

Beads (Optional)

Directions:

Prep:

- 1) Cut string to the appropriate length
- 2) Tie the ends so that beads to not slide off

Campers:

- 3) Have children create beaded bracelets with a buddy that they can choose to exchange as friendship bracelets
- 4) Optional: If campers know how to make other types of bracelets they may do so, however it may be too difficult to teach everyone

Egg Carton Animals

Materials:

Egg Cartons cut open and separated

Paint/Markers

Pipe Cleaners

Googly Eyes

Construction Paper

Glue (leaders only)

Scissors (leaders only)

Directions:

Prep:

- 1) Cut out and prep enough individual egg cartons (1-2/ child +15 extra for mistakes)
- 2) Paint egg cartons in various colours as a base (white, red, green, purple, blue)

Campers:

- 3) Have campers decorate the cartons however they choose, making them into animals (one leader/table to watch over)

Paperman Chain

Materials

Construction Paper

Scissors (leaders only)

Glue (Leaders only)

Markers/Crayons

Directions

Prep:

1) Cut out paper men/women in different colours (5-7/camper)

Campers:

2) Draw your new camp friends!

3) One campers are done, leaders will glue their hands together in order to make a chain

CAMP-WIDE CHAIN

Construction Paper (5 colours)

Scissors (leaders only)

Glue OR Stapler (leaders only)

Markers/Crayons

Directions:

Prep:

1) Cut out long, rectangular strips of paper (HotDog wise)

2) Cut out colours based on groups (1 colour/group (4 colours) 1 colour for leaders)

Directions:

3) Have campers write their names on one strip of paper, they can draw an object as well if they

would like to

4) Collect them all and create a paper chain (leaders) in order to hang somewhere in the tent to show camp unity!

Rock-Stars

Materials

Rocks

Googly-eyes

Feathers

Glitter Glue

Glue (leaders)

Stickers

Paint/Markers

Directions:

Prep:

1) Collect various rocks, different sizes and shapes (1/camper)

Campers:

2) Create your own "Rock-Star", decorate rocks using whatever they want, make the rock look "concert ready"

3) Name your rock, give them a band & personality

Craft: Flags of Camp

Duration: 30-45 minutes

Materials:

1-4 Large sheets (cloth)

Large tip markers

Tape/String (leaders only)

Directions:

1. Either in groups or as a camp, lay out the sheets of cloth on picnic tables
2. Have campers coordinate and create a flag for either their groups or for the camp that can be strung up and displayed
3. This can be easily done for a large scavenger hunt
